SET UP YOUR VIDEO STUDIO	DISCOVER YOUR AUTHENTIC VOICE	FREE YOUR BODY TO SPEAK	FALL IN LOVE WITH YOURSELF ON VIDEO	IGNITE THE MAGICAL DETAILS	READY FOR YOUR CLOSE-UP
You ordered and received basics for your studio. You picked out a place in your home for a permanent video studio, it can be as small as your desktop.	We will employ relaxation exercises to access the resonance of your authentic voice. You will use your entire body to speak.	Do you know what your body language reveals about you? We will hone your body language for camera. Power framing will become a habit.	Hate the way you look on camera? Those days are over! You'll learn what works for your face on camera. Part of your makeup magic is lighting.	Now we assemble all the pieces and refine your presentation. We'll focus on the verbal and the use of words that excite & attract.	It's time to wrap up all the work you've done. You'll see and feel your progress. Your skills are sharp, and your clients are waiting.
RESULT: You did it! You have a mini video studio. You're ready to use video in your business to attract your ideal clients.	RESULT: Your voice will become more resonant and compelling.
