PEOPLE ARE SAYING

Adria Firestone is not going to tell you what you want to hear. Her mission is to transform lives and she does so with a combination of tenderness and vitality. I reached out to Adria during one of the lowest points in my life and she pushed me not just to bounce back, but to bounce back with a vengeance. With her help, I was able to escape a toxic relationship, pursue a master's degree, and move up in my career. Most importantly she helped me to find happiness within myself again, something I'd never thought was possible after years of emotional abuse. I dare anyone who is ready to work for real change in their lives to work with this trailblazer, you WILL NOT be disappointed!

Dynamic Adria Firestone is a force of nature. She is multi-talented and brilliant at communicating with and inspiring an audience whether the setting is a darkened theater, a student master class, or a professional boardroom.

John Hoomes, Gen Director Nashville Opera

The beauty of working with Adria is that she is highly versatile: I gained clarity on who I wanted to serve, launched my business page, completed my first photoshoot (Adria is an amazing style coach!), doubled my coaching rates and enrolled another new client! All these while raising three kids under 5 years old and going through a marriage crisis.

Adria taught me to streamline and focus my communication online. She taught me how to set [my background] for camera interviews, wardrobe, lighting, and makeup so who I am at my best was spotlighted: this is a huge boost to my confidence.
